1. Teams are limited to six actually performing at one time, although if you have alternates or extras, that's fine—you will need to decide as a team who will actually perform each round of competition.
2. Teams need a school appropriate name.
3. Audience is encouraged to watch the events.
4. Profanity, sexually explicit scenarios, or other inappropriate material will result in forfeiting of the round. Decisions on what is profane etc. is up to the improv judge(s).
5. All rounds will be judged by outside judges that are professional improvisation artists.
6. Each team is required to attend check-in 30 minutes prior to the start of the semi-final rounds.
7. Games may be announced prior to Festival via Nebraska Thespians website, Facebook or twitter.

There will be three semi-final rounds. Each round will consist of one improvisational exercise event. A judge will be posted at each of the three events to tally points for each team. At the end of each round, teams rotate to the next event to start a new round. Once all three rounds are completed, the top teams with the most points will advanced to Improv Final.

Improv Finals

The top four teams will compete in the same improvisational event for all three judges at once. The team with the highest numerical score from rounds 1-3, plus the lightning round wins. Only six members of your team may compete in the lightning round.
